

## Introduction of our Partners

**If you want to go fast, go alone.**

**If you want to go far, go together.**

Without support from partners, we are not able to go far in the industry. When coming to the end of first half year of 2020, Ingredients4u would like to show our great appreciation to our solid partners in last 6 months. We will continue to work closely with our partners and keep growing together with them for more mutual benefits.
